MOOSILAUKE LIBRARY REPORT

It gives me great pleasure to make the annual report of the Library. The number of patrons who made use of the Library was 2,733 and the number of books and magazines taken out was 5,886.

We would like to thank Dr. and Mrs. Wilson Knowlton for two books: "Complete Poems of Robert Frost" and "The Valley, Meadow, Grove and Stream" given in memory of Mr. and Mrs. Alonzo J. Knowlton. Also Mrs. Norman Fadden for the New Hampshire Profiles magazines and several Readers' Digest Condensed Books. We would like to thank Rev. and Mrs. Charles Brewster for several books given in memory of his aunts, Alice and Edith Brewster.

**PUBLIC HEALTH AND
SCHOOL NURSING SERVICES
LINCOLN-WOODSTOCK**

Total calls made in the area were 1,300 of this number 9 to prenatals; 23 to new mothers; Infants under one month 36; one month to two years 29; preschools 15; communicable disease and suspects 25; medical visits 300; to chronics 430; unclassified, i. e. welfare, clinic connected, etc., 400 and crippled children services 33.

Conferences with State and County case workers 27; workshops and meetings attended 7; school visits in the area totalled 206. Nurses examinations were carried out on 226 Elementary pupils. Two hundred and twenty-one pupils in Senior and Junior High School were given athletic physicals by Dr. Ralph Parker of Franconia. As whooping cough was prevalent in May, Dr. Stenberg advised that a Triple Toxoid Clinic be held for age group six weeks up to eleven years. 260 attended this clinic.

Grades 1 - 4 - 8 in the Elementary schools and third year high school pupils were given the Heaf Test for the detection of tuberculosis. As a result of this testing, six chest X-rays were taken.

An extra clinic for Type III Oral Sabin Polio Vaccine was conducted in September. This was for those children and adults who missed last year's Type III clinic. Some 90 children and adults attended.

These clinics along with the Triple Toxoid and the Heaf Test were conducted through the N. H. Department of Health and Welfare and the local Health Services.

A good number of mothers availed themselves of the opportunity to attend the Child Health Clinic in Franconia conducted by Dr. Ralph Parker through the N. H. Department of Health and Welfare.

The Red Cross Mobile Blood Bank paid an extra visit here this year in order to help increase the supply of blood at the Centers which supply the demands of the various hospitals in this area. Forty pints were collected here for which the Blood Program Chairman was most grateful.

The Christmas Project was substantially aided by the Junior and Senior High School students; the Knights of Columbus; Littleton Lodge of Elks; American Legion and the Lincoln-Woodstock Chamber of Commerce. Toys, food and clothing were distributed.

Again we are grateful to the ladies of both communities for their generous help on all projects and to the personnel of all schools who cooperated so fully.

Respectfully submitted

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those

responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarettes or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.
